CLEENOL

VIRABACT MULTI SURFACE CLEANER

A liquid cleaner with a powerful bactericide for use in cleaning and sanitizing. Provides quick, easy cleaning and sanitizing for all food preparation surfaces, microwaves, chopping boards, cupboards, fridges and freezers. Contains no perfumes so is non-tainting and therefore food safe. May be used to clean and disinfect all hard surfaces including floors, walls, refrigerators, freezers, cold displays, salad bars, microwaves, stainless steel surfaces, canopies and chopping boards. Tested to BS EN 1276 killing 99.999% bacteria within 5 minutes. Also conforms to BS EN 14476 killing 99.99% enveloped viruses (includes all coronaviruses and SARS-CoV-2) within 5 minutes, under clean conditions.

Directions for Use

Use via a trigger spray. Do not dilute.

For removal of enveloped viruses, ensure surface is free from debris prior to application.

General Cleaning:

Spray on to a clean damp cloth or paper towel and apply to surfaces.

Pay particular attention to corners, edges and undersides of surfaces. Wipe off.

Sanitizing:

After cleaning surface, spray product on to a clean damp cloth or paper towel and reapply to surface. Leave to dry.

Health & Safety

Keep out of reach of children. Contains active substance: Quaternary Ammonium Compounds, Benzyl-C12-16-Alkyldimethyl, Chlorides 0.24%.

Use biocides safely and sustainably. It is illegal to use this product for uses or in a manner other than prescribed on this label. Dispose of contents/container in accordance with local regulations.

Poisons Information: For information or to report a poisoning incident contact The National Poisons Information Centre (01 8092166)

Ingredients
