

SURE[®] Antibac Hand Wash Free

Gentle fragranced hand wash that contains plant based ingredients

Description

SURE Antibac Hand Wash Free is part of a unique range of plant based, 100% biodegradable* professional products for all daily cleaning and personal care needs. SURE Antibac Hand Wash Free is a perfume and dye free hand disinfectant soap that ensures the highest disinfection standards are achieved. Its tough action formula with proven skin mildness makes it a great product for use in food preparation areas and anywhere where hygiene is a must. SURE Antibac Hand Wash Free has a good safety profile; it is biodegradable* and completely non-classified.

In addition to being a mild hand soap, the disinfection properties of SURE Antibac Hand Wash Free are tested under EN 14476 against enveloped viruses (Influenza A/ H1N1) similar to the SARS-CoV-2 virus.

Key properties

- Cleans and disinfects hands in one easy step
